The Union shall advise the Sheriff of any increase in dues in writing at least thirty (30) days prior to its effective date.

Deductions of Union dues shall continue until either:

ARTICLE 7 SENIORITY

Section 1 – **Seniority**

For the purposes of this agreement, seniority shall be the continuous service time employed with the Santa Rosa Sheriff's Office. Employees who terminate employment and return after 90 days will lose seniority rights and will be required to go through the mandatory probationary period.

The term "rank" when used, in this Article, shall mean Deputy, Corporal, Sergeant, and Lieutenant respectively. Rank Seniority shall be determined by the date of appointment to respective ranks. If two or more members attain rank seniority on the same date, seniority standing shall be determined by the start date of continuous service time. In the event of the start date of continuous service time is the same the final composite score in the promotional process for the current rank will be used to determine seniority.

Section 2 - **Seniority Application**

Except for the special operational needs of the Sheriff, vacations, holidays, and regular days off shall be determined and scheduled based on first request in, first request granted basis. In the event a request for leave for the same timeframe is submitted by two persons at the same time, seniority shall be used to determine which leave request will be granted. The Sheriff and Union understand that there may be times when the needs of the Sheriff will not permit such scheduling.

In the event of a job vacancy in an existing or new job classification (not a promotional vacancy), seniority will be given consideration, but will not be the sole determining factor. Seniority shall accrue during absence because of work related injury; vacation, military leave, or other authorized leave. The deputies shall not accrue seniority while on any type of non-paid leave.

In the event of a layoff for any reason members shall be laid off in the inverse order of Rank Seniority in the affected rank(s). Deputies who are to be laid off who have advanced to their present rank from a lower rank in which they held a permanent appointment, shall be offered a position in a lower rank for which the Deputy is qualified. If the deputy has higher seniority than the lowest seniority deputy in the lower rank the Sheriff has the right to assign the newest reassigned deputy to a position that is in the agency's best interest. Seniority in the lower rank shall be established according to the date of the Deputy's permanent appointment to that rank. Employees who do not accept a lower rank shall be terminated. Employees shall be reinstated according to seniority in the rank from which the employee was laid off. Employees who do not accept reinstatement shall be terminated. The pay of any deputy who elects not to return to a higher rank when offered will be reduced to a comparable salary at the lower rank.

Transfers shall not be used for disciplinary purposes.

ARTICLE 8
EMPLOYEE REPRESENTATION AND UNION ACTIVITIES

Section – 1 Representation

From the employees in the bargaining unit, the Union shall select two (2) representatives of the Union **not including the state FOP Staff Representative or FOP Attorney**, and shall furnish to the Sheriff, and keep up-to-date, a list of all such authorized to act as representatives.

The Union bargaining unit likewise agrees that during the term of this agreement the Union bargaining unit and the employees covered hereunder shall deal only with the Sheriff or his/her representative in matters requiring mutual consent or other official action and specifically the Union bargaining unit agrees that neither the Union bargaining unit nor the employees hereunder shall seek to involve elected officials other than the Sheriff in the administration of this Agreement, or otherwise in the operation of the Santa Rosa County Sheriff's Office.

Section 2 - Representative Access

The Sheriff agrees that a Union representative authorized and identified in Section 1 shall have access to unit employees for the purpose of processing grievances or prospective grievances arising under the agreement or proceedings governed by the Section 112.532, Florida Statutes. Such grievance access shall be limited to regular scheduled work time of the grievant or prospective grievant in a designated location.

Section 3 - Documents

The Union acknowledges that from time-to-time the Sheriff may establish, make changes, combine, or modify the duties, tasks, responsibilities, or requirements within the job descriptions, policies, rules, and regulations of the Sheriff's Office, and other official documents setting forth rules, regulations, and operational procedures.

When the Sheriff makes a change in such job descriptions, policies, rules, or regulations which affect wages, hours, or terms and conditions of employment of bargaining unit employees, except for the security policies of the Sheriff's Office, which shall remain confidential, it will post or otherwise notify unit employees. Except as deemed necessary by the Sheriff, no copy shall be made of any security policy or rule, nor shall it be furnished to non-authorized employees or persons. Violations of this provision shall subject the employee to disciplinary action and such disciplinary action is excluded from appeal through the grievance procedure in the agreement. The Sheriff will furnish the Union representative, who is authorized and identified as set forth in Section 2, with a copy of said changes ten (10) days prior to implementation whenever possible. The Union agrees that impact bargaining, if applicable, will be deemed waived, if not requested in writing to the Sheriff within ten (10) calendar days after notice of the change is furnished to the Union. Any request for impact bargaining must specifically identify the impact that each change or modification has on the wages, hours, or terms and conditions of employment of bargaining unit employees. The Union's failure to comply with the specificity required by this provision constitutes a waiver of any bargaining regarding the change or modification of the job description, policy, rule, or regulation.

Section 4 - Recruit Class

The Sheriff's Office will provide the FOP with the names of each person in each recruitment class. Should the FOP so elect, it will be provided access to recruits for a lunch or dinner sponsored by the FOP which shall not occur during duty hours of the recruit. Additionally, if requested, the Sheriff's office shall grant the FOP an opportunity to address the recruits for a fifteen (15) minute period during orientation.

Section 5 - Negotiations/Consultations

The Union may designate up to four (4) employees within the bargaining unit to attend negotiations or consultations with the Sheriff or his representatives. This includes preparatory sessions held with the FOP in order to permit review or preparation of bargaining proposals or issues for consultation. If the employee is working, he will be detached for purposes of the meeting and will not be required to take leave time. If the employee is on regular time off, the meeting shall not be considered work time.

A copy shall also be sent to the grievance coordinator.

Step 4 - Arbitration:

A. If the grievance is not resolved at Step 3, the employee, together with his designated representative, may appeal the grievance in writing to arbitration on a form supplied by the Union, within ten (10) days after receipt of the Step 3 decision. If the Union refused to represent the employee at the first step the employee may appeal the grievance to arbitration.

Section 4 - Arbitrator Selection and Procedures

The Union and/or grievant shall request the Federal Mediation and Conciliation Service (FMCS) to furnish a panel of seven (7) names of arbitrators and who are residents of the State of Florida. The selection of the arbitrator shall be by means of alternative striking of names with the Union having the first name strike. Either party may object to all the names on the list, provided the objection is made prior to the commencement of the striking process. If this occurs, the objecting party may request the Federal Mediation and Conciliation Service to furnish another list of qualified arbitrators. The arbitration proceedings shall be conducted in accordance with the following provisions:

A. The Sheriff's Office and the Union shall attempt to mutually agree in writing as to the statement of the agreements to be arbitrated prior to the hearing and the arbitrator thereafter shall confine his decision to the particular grievance thus specified. In the event the parties fail to agree on the statement of the grievance to be submitted to the arbitrator, the arbitrator will confine his consideration and determination to the grievance forms and the written responses presented in the earlier steps of this grievance procedure.

B. The arbitration hearing shall be held at a location, time and date mutually agreed to by the parties.

C. No ex parte hearing may be conducted, or decision rendered by the arbitrator.

D. The written decision of the arbitrator, unless mutually waived, shall be issued within

thirty (30) days after the close of the hearing.

E. The arbitrator shall have no authority to determine any other issue, and shall refrain from issuing any statement or opinion or conclusion not essential to the determination of the issue submitted. The arbitrator shall have no authority to make any decision adding to, subtracting from, or modifying, altering, or ignoring in any way, the terms of this agreement, except that the arbitrator may refer to the Sheriff's Office written policies, procedures, rules, regulations, and Florida Statutes.

F. The arbitrator shall be without power or authority to make any decisions limiting or interfering in any way with the powers, duties and responsibilities of the Sheriff under the Constitutions of the United States and the State of Florida, or under any applicable laws, rules, and regulations, except as such powers, duties, or responsibilities have been lawfully abridged, delegated, or modified by an express provision of this agreement.

G. The arbitrator may not make any decision that is based upon unwritten past practice or custom. As a result, this agreement supersedes and cancels all prior practices and understandings which predate this agreement, except those written provisions, work rules, or regulations set forth in the Sheriffs written rules, regulations and policies, which were in effect prior to the effective date of this agreement, and which were not specifically modified by this agreement, shall be binding on the parties during the term of this agreement.

H. The fees and expenses of the arbitrator shall be borne by the party who fails to prevail in the arbitration proceeding. The cost of the transcript of the arbitration proceeding shall be borne by the party requesting it, unless both parties agree that a transcript is necessary, then the cost of the transcript shall be divided equally between the Sheriff's Office and the Union. Each party shall be responsible for compensating and paying the expense and fees of its representatives, witnesses, and attorneys.

I. If the Union chooses to represent the employee at the first step or any succeeding step of the grievance procedure and then withdraws representation, it will not be responsible for the fees and expenses of the arbitrator if the employee does not prevail in the arbitration proceeding.

J. Where there is an issue regarding arbitrability, the parties agree that the issue will be resolved separate and apart from the merits of the grievance. Issues of arbitrability shall be resolved by the arbitrator in a written decision prior to the consideration of the substantive merits of the grievance. Should the matter be found to be arbitrable, either party may request the selection of another arbitrator to decide the substantive merits of the grievance.

K. The arbitrator's decision shall be final and binding on the parties subject to the provisions of Chapter 682, Florida Statutes.

L. The arbitrator shall have no power or authority to cause the Sheriff's Office to bear any expense, debt, costs, or liability which would result, directly or indirectly, in the Sheriff's Office exceeding the amounts initially appropriated in its annual budget. Any such award which contradicts or is not in compliance with the provision of this paragraph shall be null

and void.

Section 5 - Time Limits

A. Failure to initiate a grievance within the time limits in Section 3 above shall be deemed a waiver of the grievance. Failure at any step in this provision to submit a grievance to the next step within the specified time limit shall be deemed to be acceptance of the decision at that step.

B. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limit shall permit the grievance to be advanced to the next step.

C. The number of days indicated at each step should be considered as a maximum, and every effort should be made to expedite the process. However, the time limit specified in any step of this procedure may be extended by written mutual agreement.

D. Claims of either an untimely filing or untimely appeal shall be made at the step-in question.

APPENDIX E

SANTA ROSA COUNTY SHERIFF'S OFFICE Sheriff Bob Johnson

General Order: D-020		DRUG FREE WORKPLACE		
Distribution: All Members	Issue Date: 10/31/2014	Effective Date: 11/10/2014	Review Date: 02/18/2015	Review Responsibility: Department of Administration
Accreditation Standard: CFA 11.01 A, 11.02 B & C		Rescinds/Amends: D-020 (06/30/2012)	Forms:	

PURPOSE

The purpose of this general order is to establish and maintain a drug free workplace, thereby maximizing levels of productivity and avoiding the costs, delays, and tragedies associated with work-related accidents resulting from drug abuse by employees.

POLICY

The Santa Rosa County Sheriff's Office will employ a workforce free from the use of illegal drugs either on or off the job, and free from alcohol in the workplace. Drug use creates a variety of workplace problems resulting in decreased morale, productivity, and the promotion of unsafe working conditions. It is the goal of this policy to balance substance abuse treatment availability for members with the agency's need to maintain a safe, productive drug free workplace. However, nothing contained in this order shall be interpreted to preclude disciplinary actions taken pursuant to violations of law or other general orders. Any member determined to be in violation of this policy is subject to disciplinary action up to and including dismissal, even for the first offense. Members will comply with the terms of this order and the Drug Free Workplace Act as a condition of employment. [CFA 11.01 A; 11.02 B,C]

Implementation: In accordance with federal regulations, the Sheriff's Office is required to give a sixty (60) day notice prior to the implementation of the random drug testing process. Random drug testing will go into effect on June 1, 2011.

PROCEDURE

I. General Guidelines [CFA 11.01 A]

- A. A member found with the presence of illegal drugs and/or alcohol in his/her system, in possession of, using, selling, trading, or offering for sale illegal drugs during working hours, at government functions, or on county premises (including parking lots) may be subject to disciplinary action up to and including dismissal even for the first offense. [CFA 11.02 B,C]
- B. The use of any over the counter products in a manner inconsistent with the manufacturer's directions is expressly prohibited.
- C. Drugs prescribed by a member's physician may be taken during work hours unless prohibited by the physician. The member will notify their immediate supervisor and the Human Resource Section of any prescribed medications that may affect or impair the member's judgment, work performance, or safety. The supervisor and the Human Resource Section will verify the member is capable to perform duties and responsibilities.

- D. Abuse of prescription drugs will not be tolerated.
- E. Members must be in compliance with all federal drug laws, the Federal Controlled Substance Act and the Florida Drug Free Workplace Act, Chapter 112, Florida Statutes.
- F. The Santa Rosa County Sheriff's Office has adopted screening practices to identify officers and members assigned to safety sensitive positions who use illegal drugs.
- G. A list of safety sensitive positions is included in Addendum 1.
- H. Members will notify the Department Major in writing of any conviction of a violation of a criminal drug statute no later than five calendar days after such conviction.
- I. The Santa Rosa County Sheriff's Office provides an Employee Assistance Program as a benefit to all members. Information regarding this plan may be confidentially obtained from the Human Resources Office.
- J. The Santa Rosa County Sheriff's Office will not discharge, discipline, or discriminate against a member solely upon voluntarily seeking treatment for a drug or alcohol related problem if the member has not previously tested positive for alcohol or drug use, or previously entered an alcohol and drug rehabilitation program. Participation in an Employee Assistance Program, or another mental health or substance abuse counseling program, will not affect the member's future career advancement or employment, nor will it protect a member from disciplinary action if substandard job performance continues. Employee Assistance is used in conjunction with discipline, not a substitute for discipline. [CFA 11.02 B,C]
- K. If a member voluntarily seeking treatment is unable to participate in outpatient rehabilitation, the member may be placed on leave status while participating in a drug and alcohol rehabilitation program. The member will be permitted to use accumulated leave prior to being placed on leave without pay. Upon successful completion of the rehabilitation program, the member will be reinstated to the same or equivalent position.
- L. After a member is selected for random drug testing or ordered to submit to a reasonable suspicion drug test, fitness for duty evaluation, or post event drug test, voluntarily seeking treatment is no longer a protection from disciplinary action. [CFA 11.02 C]
- M. Refusal to take a drug or alcohol test is considered an automatic positive and may result in:
 - 1. A refusal to hire:
 - 2. The member forfeiting his or her eligibility for medical and indemnity benefits under workers' compensation: and
 - 3. Cause for dismissal of the member which may also result in denial of unemployment compensation. [CFA 11.02 C]
- N. A sustained incident of Refusal to submit to a drug or alcohol test in accordance with this General Order will constitute a **Gross Violation** of the Oath of Office / Cannon of Ethics; a level Five policy violation.
- O. No member or applicant whose drug test is confirmed as positive will be defined as a person with a disability.
- P. The Santa Rosa County Sheriff's Office will pay for required drug and alcohol tests. The member will pay costs of non-required tests.
- Q. Education and training will be made available to all members and supervisors.

II. Types of Testing

- A. Pre-Employment Drug Testing: All job applicants will undergo screening for the presence of illegal drugs as a condition of employment. Applicants will be required to voluntarily submit to a urinalysis test at a laboratory chosen by the Sheriff's Office after signing a consent and release form. Job applicants who refuse to submit to a drug test or have a positive confirmed drug test are basis for refusal to hire a job applicant.
- B. Routine Fitness for Duty Testing: The Santa Rosa County Sheriff's Office may require a member to test if conducted as part of a routinely scheduled fitness-for-duty medical examination that is part of policy or is scheduled for all members of a classification or group.
- C. Reasonable Suspicion Testing: The Santa Rosa County Sheriff's Office may require a member to submit to testing:
 - 1. When there is reasonable suspicion to believe that a member is using or has used illegal drugs or steroids drawn from specific objective facts. Circumstances that could be indicators of a drug problem and considered reasonable suspicion include but are not limited to:
 - a. Observed drug use during work hours on Sheriff's Office premises
 - b. Observable physical signs
 - c. Incoherent mental state
 - d. Marked changes in personal behavior that are otherwise unexplainable
 - e. Deteriorating work performance that is otherwise unexplainable
 - f. Evidence a member has used, possessed, sold, solicited, or transferred drugs while on the Sheriff's Office premises or while operating Sheriff's Office vehicles, machinery, or equipment.
 - 2. When there is a report of drug use provided by a reliable and credible source.
- D. Post Event Testing: Members involved in the following types of events will be tested as soon as practical, but within thirty-two (32) hours of the incident.
 - 1. Agency vehicle crashes as outlined in General Order J-001;
 - 2. Incidents where a member may have caused or contributed to an accident at work involving an injury requiring medical treatment;
 - 3. Injuries requiring medical treatment which occurred during the performance of job duties or on Sheriff's Office premises;
 - 4. The discharge of a firearm (other than for training purposes or humane disposition of injured or sick animals).
- E. Random Testing: The Santa Rosa County Sheriff's Office conducts random drug tests, through the use of unbiased selection procedures, of members occupying safety-sensitive or special-risk positions (officers) in accordance with drug-testing rules adopted by the Agency for Health Care Administration and the agency.
- F. Return-to-duty and Follow-up Testing: Members who successfully complete a rehabilitation program, or as part of their rehabilitation program may return to work. The member must agree to a return-to-duty test and follow-up drug testing for up to two years following completion of a rehabilitation program. Follow-up testing will be unannounced and on a monthly, quarterly, semiannual, or annual basis for up to two years thereafter. Members not complying with these conditions, or testing positive at any time during or following rehabilitation, will be terminated from employment. [CFA 11.02 C]

III. Drug Testing Standards

- A. All testing will be conducted by an Agency for Health Care or State certified laboratory; positive test results will be reviewed by a certified Medical Review Officer to assure accuracy. All testing, specimen collection, security measures, monthly reports, storage, handling, chain of custody procedures, and quality control procedures will be performed in accordance with appropriate federal and state rules and regulations.
- B. The Agency for Health Care Administration may adopt additional rules to support this law and Part II of Chapter 408, Florida Statutes, using criteria established by the US Department of Health & Human Services as guidelines for laboratories: standards for licensing; technical assistance; appropriate specimens; methods of analysis; minimum cut-off detection levels; chain of custody procedures; and a list of common medications by brand or common, brand, and chemical name.
- C. Initial Test: The initial screen for all drugs except alcohol will use an immunoassay approved by the Agency for Health Administration. For alcohol the initial test may be the enzyme oxidation methodology. The following cutoff levels will be used when first screening specimens to find whether they are negative or need to be tested further with the confirmation test. All levels equal to or exceeding the following will be reported as positive:

Alcohol	0.02-0.04%
Amphetamines	1000 ng/ml
Cannabinoids	50 ng/ml
Cocaine	300 ng/ml
Phencyclidine	25 ng/ml

A copy of any positive can be received by the employee by submitting his/her request in writing. As drug testing technology is constantly improving and state and federal laws governing said testing are changing almost as rapidly, the company may change the cut off levels without notice. The cut-off levels in effect for the GC/MS at the time of this printing are as follows:

IV. Confidentiality

- A. All information received in regard to drug testing results will be maintained in the member's medical file. This

information will be retained in compliance with state records retention laws and will only be destroyed as prescribed by law.

- B. All information, interviews, reports, statements, memoranda and drug and alcohol test results may not be received in evidence, discovery, or disclosed without a written consent by the donor, except when compelled by a hearing officer or a court of competent jurisdiction, or where deemed appropriate by a professional or occupational licensing board in a related disciplinary proceeding, or in defense of a civil or administrative matter, or for the purpose of reviewing certification of members.

- D. No physician-patient relationship is created by the establishment and administration of a drug testing program.
- E. Documentation of a positive drug test result will be placed in the member's medical file within five working days. The Administration Division will inform the member in writing of the result, consequences of the result, and options available.
- F. Safety-sensitive members who have tested positive will not be permitted to perform a safety-sensitive function. If a non-safety sensitive position is not available, the member may be placed on leave status while participating in an alcohol and drug rehabilitation program. - A. The Human Resources Section is responsible for handling pre-employment drug testing as part of the selection process.

VII. Reasonable Suspicion Drug Testing
